RLO#1086096

UNIT 12oz

CASE SIZE 12

PALLET UNITS 1500

RED LINE<sup>®</sup> DIESEL FUEL TREATMENT provides unsurpassed lubricity and fuel economy while improving total performance and decreasing emissions. Red Line Diesel Fuel Treatment combines the advanced technology of both Cetane Improver and Anti-Gel to ensure optimum performance in all climates and conditions. It converts standard diesel fuel to premium diesel fuel as defined by the National Conference on Weights and Measures (NCWM) and the Engine Manufacturers Association (EMA).

### RECOMMENDED SERVICE PROCEDURE:

- 1 Pour RED LINE DIESEL FUEL TREATMENT into fuel tank. A 12 FL OZ bottle treats up to 37 gallons of diesel fuel. For best results in extreme cold climates, install 2 bottles per tank of fuel.
